PROFESSIONAL DESIGNATIONS

The Chartered Financial Consultant (ChFC®) designation is the end certification of the Chartered Financial Consultant program, comprised of nine or more college-level courses on all aspects of financial planning. It is offered by The American College, a non-profit educator with the highest level of academic accreditation.

Program Learning Objectives

Upon completion of this program, the student should be able to:

1. Function as an ethical, competent and articulate practitioner in the field of financial planning
2. Demonstrate mastery of the core financial planning knowledge required of a Certified Financial Planner® by passing the CFP® certification exam
3. Utilize the intellectual tools and framework needed to maintain relevant and current financial planning knowledge and strategies throughout one's career in financial services
4. Apply financial planning theory and techniques through the development of case studies and solutions
5. Apply in-depth knowledge in a holistic manner from a variety of disciplines; namely, estate planning, retirement planning or nonqualified deferred compensation.

The average study time for the program is over 400 hours and advisors frequently spend years earning this coveted distinction. Each ChFC® must also complete a minimum of 30 hours of continuing education every two years, adhere to strict ethical standards, and meet extensive experience requirements to ensure the holder of the ChFC® will provide professional financial advice to their clients.
